“Framing the Future: Transforming Public Health Curricula to Improve Health”

Donna J. Petersen, ScD, MHS, CPH

Senior Associate Vice President, USF Health
Dean, College of Public Health
Professor of Global Health
University of South Florida (USF)

This presentation will explore the imperatives for change that led to the 2016 CEPH accreditation revisions for schools and programs of public health and consider the current forces of change that are shaping various educational transformational efforts around the country. The presentation will help to provide the context for discussions about future curricular directions for the Rutgers School of Public Health.
