content in a matrix format for better organization and easier navigation purposes.

IV. Permanent NJ Safe Schools Resources (available online for free)

A. The non-SLE schedule will be added throughout the year. For more information, see below and visit <https://sph.rutgers.edu/training/nj-safe-schools/non-sle-general.html>.

B. Structured Learning Experience Frequently Asked Questions (NJ Safe Schools website)

We have a frequently asked question (FAQ) section on the NJ Safe Schools website. There are over 50 FAQs on the list covering a range of topics in four subcategories pertaining to structured learning experiences (SLEs). Questions about SLE supervision eligibility, SLE program set-up, worksite placement considerations, required paperwork and on-site workplace concerns for students in SLEs are included. The list of FAQs was compiled from actual questions submitted by NJ teachers/supervisors. Each of the responses previously appeared in print or electronic newsletters through the NJ Safe Schools Program or the "SLE info share listserv." Please go to: <https://sph.rutgers.edu/training/nj-safe-schools/faq.html>.

C. NJ Safe Schools Manual is annually updated to reflect the latest changes to both federal and/or State of NJ codes pertaining to the National Fire Protection Agency and National Electrical Code, Hazard Communication Standard, etc. The Manual includes a collection of self-inspection checklists covering environmental, health and safety regulations for secondary occupational and career orientation programs in New Jersey public schools and private schools for the disabled. The entire Manual is available to access online and as an app (see below), and meets Accessibility Guidelines.

Please go to the NJ Safe Schools website at <https://sph.rutgers.edu/training/nj-safe-schools/manual.html>.

Note: The Manual does not replace responsibility of each school district and school to provide students with a safe and healthful environment, i.e., beyond hazards outlined in Manual.

The Manual is also still available via mobile app for download in Google Play! The app name is "NJ SS Manual" if you want to look it up directly. This app is free to download! When accessed on a mobile device you will be prompted to download this free app.

The app has a home page plus three other sections easily navigated from a home page description-- Checklists, Supporting checklists, Appendices (all as PDF files).

D. Online Incident Reporting Mandated by State of NJ Law

The New Jersey Safe Schools/NJDOE Incident Reporting Form for Career and Technical Education Programs, Cooperative Education Experiences, and Structured Learning Experiences is online at <https://sph.rutgers.edu/training/nj-safe-schools/incident-reporting.html>.
