#### A. OSHA 10+ (Two day in-person training)

This course has a mandatory online introduction. After you register online, an email will be sent approximately two weeks prior to the start of the course with additional information about the online portion. The online portion is the NJDOE 2-hour Safety and Health overview for 2.0 PDUs. This should be completed the week before the in-person class and no later than the week after the in-person course. Certificates and blue cards will not be mailed until requirements of this course have been completed, and payment is received.

#### B. Designing & Implementing Student Training Plans (Three day in-person training)

This course includes two in-person meeting days with a site visit day in-between. The 1st and 3rd days are at the location you register for and the 2nd day is off-site to allow flexibility in conducting required field visit(s) and preparing for group discussion. For the site visit day, you can contact NJDOE staff by email or phone to arrange a specific time period to talk with their SLE consultants.

## II. New Jersey's Minimum Wage Changes

Effective January 1, 2020, the New Jersey minimum wage is \$11.00 per hour. The current minimum wage of \$10.00 per hour increased from \$10.00 per hour at the start of the new year. For an outline of the minimum wage rate changes, please visit [https://www.nj.gov/labor/forms\\_pdfs/wagehour/minimumwage\\_postcard.pdf](https://www.nj.gov/labor/forms_pdfs/wagehour/minimumwage_postcard.pdf).

## III. New: Redesigned NJ Safe Schools Web Pages

The NJ Safe Schools program has recently redesigned its Special Health Care Needs and Websites & Resources web pages. The web pages now display content in a matrix format for better organization and easier navigation purposes.

To access a number of NJ and Federal safety and health, school-to-careers, and school-to work and/or apprenticeships resources, please visit <https://sph.rutgers.edu/training/nj-safe-schools/special-health-care-needs.html> and <https://sph.rutgers.edu/training/nj-safe-schools/websites.html>.

## IV. Permanent NJ Safe Schools Resources (available online for free)

**A. The non-SLE schedule** will be added throughout the year. For more information, see below and visit <https://sph.rutgers.edu/training/nj-safe-schools/non-sle-general.html>.

Please contact us at 732-235-4988 or [cscbre@sph.rutgers.edu](mailto:cscbre@sph.rutgers.edu) for details and how to enroll.  
Note: There are no new course enrollments July through September of each calendar year.

**B. Structured Learning Experience Frequently Asked Questions  
(NJ Safe Schools website)**

We have a frequently asked question (FAQ) section on the NJ Safe Schools website. There are over 50 FAQs on the list covering a range of topics in four subcategories pertaining to structured learning experiences (SLEs). Questions about SLE supervision eligibility, SLE program set-up, worksite placement considerations, required paperwork and on-site workplace concerns for students in SLEs are included. The list of FAQs was compiled from actual questions submitted by NJ teachers/supervisors. Each of the responses previously appeared in print or electronic newsletters through the NJ Safe Schools Program or the "SLE info share listserv." Please go to: <https://sph.rutgers.edu/training/nj-safe-schools/faq.html>.

**C. NJ Safe Schools Manual** is annually updated to reflect the latest changes to both federal and/or State of NJ codes pertaining to the National Fire Protection Agency and National Electrical Code, Hazard Communication Standard, etc. The Manual includes a collection of self-inspection checklists covering environmental, health and safety regulations for secondary occupational and career orientation programs in New Jersey public schools and private schools for the disabled. The entire Manual is available to access online and as an app (see below), and meets Accessibility Guidelines.

Please go to the NJ Safe Schools website at <https://sph.rutgers.edu/training/nj-safe-schools/manual.html>.

*Note:* The Manual does not replace responsibility of each school district and school to provide students with a safe and healthful environment, i.e., beyond hazards outlined in Manual.

The Manual is also still available via mobile app for download in Google Play! The app name is "NJ SS Manual" if you want to look it up directly. This app is free to download! When accessed on a mobile device you will be prompted to download this free app.

The app has a home page plus three other sections easily navigated from a home page description-- Checklists, Supporting checklists, Appendices (all as PDF files).

**D. Online Incident Reporting Mandated by State of NJ Law**

The New Jersey Safe Schools/NJDOE Incident Reporting Form for Career and Technical Education Programs, Cooperative Education Experiences, and Structured Learning Experiences is online at <https://sph.rutgers.edu/training/nj-safe-schools/incident-reporting.html>.

Schools are now required by code (N.J.A.C. 6A:19-6.5) to submit their incident report online. You can also download a copy of the newly updated "Guidance Manual for Completing the Incident Reporting Form" on this site. Note: The Guidance Manual was updated as of December 2018.
