

CURRICULUM VITAE

DATE: March 16, 2023
NAME: Marian Rose Catherine Passannante, Ph.D.
PRESENT TITLE: Professor and Associate Dean for Educational Program Development and Global Programs
E-MAIL ADDRESS: marian.passannante@rutgers.edu
CITIZENSHIP: US

EDUCATION:

A. Undergraduate

Vassar College
Poughkeepsie, New York
Bachelor of Arts (AB) (History) May 1978

B. Graduate and Professional

The Johns Hopkins University, School of Hygiene and Public Health
Baltimore, Maryland
Doctor of Philosophy (Population Dynamics-Demography) May 1983

POSTGRADUATE TRAINING: NOT APPLICABLE

MILITARY: NOT APPLICABLE

ACADEMIC APPOINTMENTS:

Rutgers Global Health Institute, Core Faculty Member
January 2019-present

Department of Medicine
Rutgers, The State University of New Jersey
New Jersey Medical School
Professor with tenure (joint appointment)
March 2016-present

Department of Biostatistics and Epidemiology
Rutgers, The State University of New Jersey
School of Public Health
Professor with tenure
June 2015-present

Department of Preventive Medicine and Community Health
Rutgers, The State University of New Jersey
(legacy University of Medicine and Dentistry of New Jersey) New Jersey Medical School
Professor with tenure
June 2013 – June 2015

ACADEMIC APPOINTMENTS (continued):

Quantitative Methods: Epidemiology & Biostatistics
Rutgers, The State University of New Jersey
(legacy University of Medicine and Dentistry of New Jersey), School of Public Health
Professor (Coterminous)
July 2013- June 2015

Rutgers Graduate School-New Brunswick
Associate Professor
March 2005-present

Quantitative Methods: Epidemiology & Biostatistics
University of Medicine and Dentistry of New Jersey, School of Public Health
Associate Professor (Coterminous)
January 2001-June 2013

Primary Care/Department of Nutritional Sciences
Rutgers (legacy University of Medicine and Dentistry of New Jersey), School of Health Related Professions
Adjunct Associate Professor
July 1995 - present

Department of Preventive Medicine and Community Health
University of Medicine and Dentistry of New Jersey, New Jersey Medical School
Associate Professor with tenure
July 1993 – June 2013

Department of Preventive Medicine and Community Health
University of Medicine and Dentistry of New Jersey, New Jersey Medical School
Assistant Professor
July 1986 - June 1993

Department of Preventive Medicine and Community Health
University of Medicine and Dentistry of New Jersey, New Jersey Medical School
Instructor
November 1983 - June 1986

Physician Training in Cancer Prevention and Elimination of Disparities
January 1, 2017 –June 30, 2021
\$ 298,331.62
PI (P Thomas, New Jersey Medical School)

HRSA for Preventive Medicine Residency
NJMS Preventive Medicine Residency with Integrative Health Training Program
September 1, 2016-2023
Award: 1.2 million
PI (P Thomas, New Jersey Medical School)

Centers for Disease Control and Prevention
Assessment of Health Impact of Hurricane Sandy
Time period of grant: 9/30/2013-10/1/2015
Total Award Amount: \$480,202.00
PI (A Davidow, Preventive Medicine, New Jersey Medical School)

Health Resources and Services Administration, U.S. Department of Health and Human Services
New Jersey Preventive Medicine Residency Integrative Medicine Program
Time period of grant: 10/1/2012-9/29/2014
Total Award Amount: \$149,000
PI (P Thomas, Preventive Medicine, New Jersey Medical School)

Centers for Disease Control and Prevention
Regional Training and Medical Consultation Center
2010-2015

Direct costs awarded: \$ 7,845,344

Total amount awarded: \$ 8,472,972

PI (LB Reichman, Medicine, New Jersey Medical School through 2014)

PI (A Lardizabal, Medicine, New Jersey Medical School beginning 2015)

GRANT SUPPORT:

B. Co-Investigator/Epidemiologic-Statistical Consultant (continued)

Health Resources and Services Administration

Grant to Develop a Preventive Medicine Residency, University Of Medicine and Dentistry of New Jersey-New Jersey Medical School,

2010-2013

Direct costs awarded: \$872,766

Total amount awarded: \$947,587

PI (W Halperin, Preventive Medicine, New Jersey Medical School)

New Jersey Department of Transportation, Federal Highway Administration- Safe Routes to School

Pedestrian Safety for Urban Children: Hot Spot Mapping and Targeted Education

June 2010-June 2012

Total Amount Awarded: \$300,000

PI (D Livingston, Surgery, New Jersey Medical School)

National Center for Research Resources, NIH 5R25RR025136-03

Administrative Supplement for Science Education Partnership Award (SEPA) 1R25RR025136, Epidemiology and the Energy Balance Equation,

2010-2011

Direct costs awarded: \$119,507.00

Total amount awarded: \$129,067.00

PI (M Kaelin, Health Education, Montclair State University)

New Jersey Department of Human Services, Office of Prevention and Developmental Disabilities

Pedestrian Injury Prevention Partnership (PIPP)

2010

Total amount awarded: \$2,560

PI (D Livingston, Surgery, New Jersey Medical School)

UMDNJ Violence Institute

Evaluation of the Impact of Megan's Law in New Jersey

2010-2011

\$1600

PI (D. Boyle)

Public Health Traffic Safety Institute (PHTSI) mini-grant, sponsored by the American Public Health Association and the National Highway Traffic Safety Administration (NHTSA)

Pedestrian Injury Prevention Partnership (PIPP)

2009-2010

Total amount awarded: \$5000 stipend to attend PHTSI and \$5000 award for PIPP activities

PI (D Livingston, Preventive Medicine, New Jersey Medical School)

New Jersey Department of Health and Human Services

Safety Education for Child Pedestrians to Prevent Traumatic Injury

7/8/08- 7/8/11

Direct costs awarded: \$88,297

Total amount awarded: \$96,445
PI (D Livingston, Surgery, New Jersey Medical School)

New Jersey Department of Health and Senior Services
Lattimore Clinic
7/1/05-present
Direct costs awarded: \$7,362,949 (\$955,470 total) in 2015 and \$875,470 in 2016
PI (LB Reichman (-2014)/A. Lardizabal (2015-, Medicine, New Jersey Medical School)

GRANT SUPPORT:

B. Co-Investigator/Epidemiologic-Statistical Consultant (continued)

Centers for Disease Prevention and Control
Reducing Disparities in Childhood Immunization Rates: Essex Count, NJ
9/30/05-9/29/09
Direct costs awarded: \$578,724
Total amount awarded: \$899,917
PI (P Wenger, Preventive Medicine, New Jersey Medical School)

Centers for Disease Control and Prevention
Regional Training and Medical Consultation,
2004-2009
Direct costs awarded: \$6,851,852
Total amount awarded: \$7,400,000
PI (LB Reichman, Medicine, New Jersey Medical School)

Development of the New Jersey Violent Death Reporting System
9/2002-9/2007
Total amount awarded: \$884,201
PI (K. Hempstead, New Jersey Department of Health and Senior Services)

National Institute of Health
National Heart Lung and Blood Institute (HL063097)
Trauma-Related Erythropoietic Suppression, 9/2000-8/2004
Direct costs awarded: \$800,000
Total amount awarded: \$1,246,376
PI (D Livingston, Surgery, New Jersey Medical School)

University of Medicine and Dentistry of New Jersey-School of Public Health
A Systems Approach to Assess the Community Impacts of an Urban Transfer Station/Materials Recovery Facility, 1999
PI (F Ellerbush, UMDNJ-School of Public Health)

The New Jersey Department of Health and Senior Services and the Centers for Disease Control and Prevention
Model Tuberculosis Clinic at New Jersey Medical School
1999- 2004
Direct costs awarded: \$6,563,539
Total amount awarded: \$8,630,144
PI (LB Reichman, Medicine, New Jersey Medical School)

Mayday Fund
Pain in HIV-Infected Children
1994-1995
Total Amount Awarded: \$49,000
PI (J Oleske, Pediatrics, New Jersey Medical School)

Department of Health and Human Services
AHCPR/Medical Treatment Effectiveness Research (HS07336)
Outcomes Following Minor Head and Abdominal Trauma
August 1, 1994 through July 30, 1997
Direct Costs Awarded: \$1,119,818
Total Amount Awarded: \$1,523,197
PI (D Livingston, Surgery, New Jersey Medical School)

GRANT SUPPORT:

B. Co-Investigator/Epidemiologic-Statistical Consultant (continued)

National Institutes of Health (K07HL0315)
Tuberculosis Academic Award
September 30, 1993- September 28, 1998
Direct costs awarded: \$428,745
Total amount awarded: \$463,050
PI (LB Reichman, Medicine, New Jersey Medical School)

The New Jersey Department of Health and Senior Services and the Centers for Disease Control and Prevention
Model Tuberculosis Clinic at New Jersey Medical School
1993- 1998
Direct costs awarded: \$6,720,477
Total amount awarded: \$9,599,252
PI (LB Reichman, Medicine, New Jersey Medical School)

Foundation of the University of Medicine and Dentistry of New Jersey
The Teaching Mother's Program
July 1992-June 1995
Total Amount Awarded: \$150,000
PI (G Weiss, Obstetrics, Gynecology and Women's Health, New Jersey Medical School)

New Jersey State Department of Health and the Centers for Disease Control
Tuberculosis Autopsy Study
1989-1994
Total Amount Awarded: \$511,112
PI (M Lyons, Pathology, New Jersey Medical School)

Foundation of the University of Medicine and Dentistry of New Jersey,
Human Immunodeficiency Virus (HIV) Seroprevalence and Chlamydia Trachomatis Prevalence Estimation in the University
Hospital - Essex County Family Planning Clinic
June 1988-June 1989
Total Amount Awarded: \$25,000
PI (S Weiss, Preventive Medicine, New Jersey Medical School)

Cancer Education Grant, National Cancer Institute
Program Committee
July 1988 - June 1993
\$120,036
PI (E Alger, New Jersey Medical School)

National Institutes of Health, National Heart, Lung and Blood Institute (K07HL02095)
Preventive Pulmonary Academic Award

September 30, 1987 through August 1, 1992
Direct costs awarded: \$372,222
Total amount awarded: \$402,000
PI (L.B. Reichman, Medicine, New Jersey Medical School)

Appendix I: MAJOR ADMINISTRATIVE RESPONSIBILITIES

Associate Dean for Educational Program Development and Global Program
School of Public Health
September 2017-

Vice Chair
Epidemiology
School of Public Health
September 2016-2017

Associate Dean for Education
School of Public Health
July 2015-August 2016

Vice Chair
Preventive Medicine and Community Health
New Jersey Medical School
December 2011-2015

Interim Chair (designate)
Quantitative Methods: Epidemiology and Biostatistics (QNME)
School of Public Health
December 2011-2015

Co-director, Biostatistics and Epidemiology 2nd Year Course
Preventive Medicine and Community Health
New Jersey Medical School
September 2006-present

Collateral Coordinator, Injury Epidemiology
School of Public Health
September 2006-present

Director of Graduate Education
Preventive Medicine and Community Health
New Jersey Medical School
September 2004-2015

Director, Injury Research and Prevention Group
Preventive Medicine and Community Health
New Jersey Medical School
September 2002-present

Coordinator of Epidemiology Doctoral Program on the Newark Campus
School of Public Health
September 2002-2015

Division Director, Quantitative Methods
School of Public Health
July 2001- February 2002

Associate Program Director, Newark Campus
School of Public Health
June 1999- 2002

Appendix I: MAJOR ADMINISTRATIVE RESPONSIBILITIES (continued)

Co-director, Quantitative Methods Division
School of Public Health
June 1999 - June 2001

Coordinator of Epidemiology Section of First Year Preventive Medicine
New Jersey Medical School
June 1985-2006

Appendix II: PROFESSIONAL DEVELOPMENT PROGRAM PARTICIPATION

1. Harvard Macy Program for Educators in Health Professions, 2013.
2. Harvard Macy Program A Systems Approach to Assessment in Health Professions Education, 2016
3. Higher Education Resource Services (HERS) Leadership Training at the Bryn Mawr Summer Institute, 2017.
4. HERS Luce Program for Women in STEM Leadership, 2017.
